SAUDI ARABIA: A BOOMING FASHION & TEXTILE MARKET

Saudi Arabia's fashion market is projected to hit \$60 billion by 2025, driven by Vision 2030, rising consumer demand, and a young, style-conscious population.

Key highlights:

Apparel & Footwear Sales: +48% growth by 2025, reaching \$32 billion

Luxury Fashion Growth: +19% in 2021

Retail Space Expansion: 962,000 sqm under development in 2024

Online Apparel Stores: 5,000+ active across the Kingdom

Textile & Haberdashery Market: Valued at \$7.5 billion From high-end fashion to textile innovation, FashionTex Jeddah is your gateway to the Middle East's most exciting style frontier.

Be seen. Be connected. Be part of the movement.
